- i. Admission shall be made either on the basis of merit/rank obtained by the qualifying candidates in EAMCET/ECET or otherwise specified, whichever is relevant.

The duration of B.Tech program is of four academic years divided into eight semesters comprising of two semesters in each academic year. A student is required to choose a branch of study at the time of admission. Students under lateral entry will be admitted straightaway into Third semester of B.Tech course in the respective branch. No change of branch shall be allowed after the admissions are closed.

2. Award of B.Tech. Degree:

A student will be declared eligible for the award of the B.Tech. degree if he/she fulfils the following academic regulations:

- i. Regular entry students shall pursue a course of study for not less than four academic years and in not more than eight academic years.
- ii. Regular entry students shall register for 224 credits and secure all 224 credits
- iii. Lateral entry students shall pursue a course of study for not less than three academic years and in not more than six academic years for.
- iv. Lateral entry students shall register for 170 credits and secure all 170 credits
- v. Student's who fail to fulfill all the academic requirements for the award of the degree within eight academic years (for Regular Entry) / six academic years (for Lateral Entry) from the year of their admission, shall forfeit their seat in B.Tech course and their admission is cancelled.
- vi. The students who have availed one year or two year gap period, shall have to fulfill all the academic requirements for the award of the degree within nine academic years or ten academic years, respectively otherwise they shall forfeit their seat in B.Tech course and their admission is cancelled.

Completing the course of study shall mean not only satisfying the attendance requirements but also passing of all the subjects and acquiring required number of credits within the respective stipulated period

3. Branches of study:

The following Branches of study are offered at present for B. Tech. degree

S.No. Branch

1. Civil Engineering
2. Electrical and Electronics Engineering.
3. Mechanical Engineering.
4. Electronics and Communication Engineering
5. Computer Science and Engineering.
6. Chemical Engineering

and any other branch as approved by the authorities of the University from time to time.

Each Branch will have a curriculum with a syllabi that shall consist of the following:

- i. General Core Courses
 1. Basic Sciences
 2. Engineering Sciences
 3. Humanities and social sciences
- ii. Program core courses in Engineering / Technology
- iii. Elective courses of Engineering / Technology / Management Entrepreneurship / Business Communication and allied fields.
- iv. Open Electives/CBCS/MOOCs/Audit Courses
- v. Mandatory learning courses
- vi. Project work

4. Credits:

	Semester	
	Periods / Week	Credits
Theory	04	04
Comprehensive Examination	--	01
Practical	03	02
Seminar	--	02
Project Work	12	8

- i. *Academic Year*: Two consecutive (one odd + one even) semesters constitute one academic year.
- ii. *Choice Based Credit System (CBCS)*: The CBCS provides choice for students to select from the prescribed courses (core, elective or minor or soft skill courses).
- iii. *Credit*: A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.

5. Distribution and Weightage of Marks (Internal & External):

- i. The performance of a student in each semester shall be evaluated subject-wise with a maximum of 100 marks for theory and 100 marks for practical subject. In addition seminar and project work shall be evaluated for 100 and 200 marks respectively.
- ii. For theory subjects the distribution shall be 40 marks for Internal Evaluation and 60 marks for the External Evaluation.
- iii. There shall be five units in each of the theory subjects.
- iv. For theory subjects, there shall be Two Internal examinations during the semester. Each Internal examination shall consist of an objective test for 10 marks and a subjective test for 20 marks with duration of 20 and 90 minutes respectively.

Objective test paper is set for 20 multiple choice questions for 10 marks. *Subjective test paper shall contain three questions, EITHER/OR type shall be evaluated for 10 marks for each, then condensed for 20 marks, any fraction rounded off to the next higher mark. First midterm examination shall be conducted for half of the syllabus and second internal examination shall be conducted for remaining half of the syllabus. Both the internal exams are compulsory. Final Internal marks for a total of 30 marks shall be arrived at by considering the marks secured by the student in both the internal examinations with 70% weightage to the better internal exam and 30% to the other. Only, the fraction if any in total internal examination marks shall be rounded off to the next higher mark.

*Subjective test changed to EITHER/OR type w.e.f. October, 2016

Note: The internal examination shall be conducted first by distribution of the Objective test paper simultaneously marking the attendance, after 20 minutes the answered objective

test paper is collected back. The student is not allowed to leave the examination hall. Then the subjective test paper and the answer booklet shall be distributed. After 90 minutes the answered booklets are to be collected back.

- v. For the remaining 10 marks in internal evaluation, the faculty members teaching the subject shall evaluate the students through a minimum of 2 individual/group assignments or through a mini project with a group of six students or through a term paper/Data collection or through internet based seminar presentations, etc...
- vi. For theory subjects, there will be six questions with following pattern in the End-Examination.
 - a. All Questions have to be answered compulsorily.
 - b. Question I shall contain 5 short Answer questions “a” to “e” each of 2 marks. (Total 10 marks) covering one question from each unit.
 - c. Out of the remaining five questions, EITHER/OR type shall be followed with 10 marks for each.
 - d. In each question as mentioned in (c), one, two or more bits can be set.
- vii. Further, whenever any theory subject with two parts is offered (combined subject), for ex: Electrical & Mechanical Technology, then there shall be only two parts Part A, Part B in the question paper.
 - Part – A: shall contain three questions, EITHER/OR type shall be followed with 10 marks for each.
 - Part – B: shall also contain three questions, EITHER/OR type shall be followed with 10 marks for each.
- viii. Model Question paper for each theory course shall be prepared by the subject teacher/expert within 15 days from the commencement of the semester and the same shall be forwarded to the Controller of Examinations through the Chairman, BOS concerned.
- ix. For practical subjects there shall be a continuous evaluation during the semester for 40 internal marks and 60 end examination marks. Day-to-day work in the laboratory shall be evaluated for 40 marks by the concerned laboratory teacher based on the report of experiments/jobs. The end examination shall be conducted by the laboratory teacher and another examiner from the same department.

Discussion pending

- x. There shall be an audit pass (Mandatory learning Course) course in Human Values & Professional Ethics and Advanced Communication Skills lab with no credits. There shall be no external examination. However, attendance in the audit course shall be considered while calculating aggregate attendance and student shall be declared pass in the audit course when he/she secures 40% or more in the internal examinations. If the student fails to achieve 40% of marks in internal examination, a makeup examination shall be conducted in the forthcoming semester.
- xi. There shall be an Discipline centric Elective Course through Massive Open Online Course (MOOC) in III year II semester (For EEE, ECE, CSE branches) and in IV year I semester (For Civil, Mechanical, Chemical Engineering branches), where in the student shall register the course offered by authorized institutions/Agencies, through online with the approval of Head of the Department. The Head of the Department shall appoint one mentor for each of the MOOC subject offered and the mentor appointed shall conduct the internal examination following the guidelines given in 5(iv) & 5(v). Further, the College shall conduct the external examination for the MOOC subject in line with other regular subjects (5.vi) based on the syllabi of the respective subject provided by the Head of the Department.

- xii. The Certificate issued by the institution/agency after successful completion of the course will be considered for the award of grade to that course. There shall be an Open Elective in III year II semester, where in the students have to choose an elective offered by the departments other than their department.
- xiii. There shall be **Four Comprehensive Objective Type Examinations, one each** with 100 objective questions for 100 marks at the end of II year I semester, II year II semester, III year I semester and III year II semester. The duration of the examination would be for 2 hours. A student shall acquire 1 credit each assigned to the comprehensive examination, only when he/she secures 40% or more marks in the examination. In case, if a student fails in comprehensive examination, he/she shall reappear for the examination by following a similar procedure adopted for the theory examinations.
- xiv. For the subject having design and / or drawing, such as Engineering Drawing, Machine Drawing and Estimation, the distribution shall be 40 marks for internal evaluation and 60 marks for end examination. The Internal evaluation will be 20 marks for day-to-day work in the class that shall be evaluated by the concerned subject teacher based on the reports/submissions prepared in the class. Further, there shall be two midterm exams in a Semester for duration of 2 hrs each, evenly distributed over the syllabi for 20 marks and the average marks of both the mid examinations shall be considered as internal test marks. The sum of day to day evaluation and the internal test marks will be the final internal marks for the subject. The pattern and duration of the examination pertaining to these specific subjects shall be finalized by the BOS Chairman and need to be clearly mentioned at the end of syllabus.
- xv. There shall be a seminar presentation in IV year II Semester. For the seminar, the student shall collect the information on a specialized topic and prepare a technical report, showing his understanding over the topic, and submit to the department before presentation. The report and the presentation shall be evaluated by the Departmental committee consisting of Head of the Department, seminar supervisor and a senior faculty member. The seminar shall be evaluated for 100 marks. There shall be no external examination for seminar. A student shall acquire 2 credits assigned to the seminar only when he/she secures 40 marks on aggregate out of 100 marks allocated. In case, if a student fails in seminar, he/she shall reappear for the makeup seminar by following a similar procedure adopted for the theory examinations.
- xvi. Out of a total of 200 marks for the project work, 80 marks shall be for Internal Evaluation and 120 marks for the End Semester Examination (Viva-voce). The viva-voce shall be conducted by a committee consisting of Head of the Department, Project Supervisor and an External Examiner nominated by the Principal from the panel of 3 members proposed by Head of the Department. The project work shall start in IV year I semester and shall continue in the semester break. The evaluation of project work shall be conducted at the end of the IV year II semester. The Internal Evaluation shall be made by the departmental committee consisting of Head of the Department, project supervisor and one senior faculty member, on the basis of two seminars (one at the beginning of IV B.Tech II semester and the other before submission of project work) given by each student on the topic of his project work. In case, if a student fails in project work viva-voce, he/she shall reappear for the viva-voce examination by following a similar procedure adopted for the practical examinations.
- xvii. The laboratory records, assignment records and internal test papers shall be collected at the end of each semester and shall be preserved for minimum of 3 years in the respective departments and shall be produced to the Committees of the college as and when the same are asked for.

6. Attendance Requirements:

- i. A student shall be eligible to appear for end examinations if he/she acquires a minimum of 75% of attendance in aggregate of all the subjects in a semester.
- ii. **Shortage of Attendance below 65% in aggregate shall in NO case be condoned.**
- iii. Condonation of shortage of attendance in aggregate up to 10% (65% and above and below 75%) in each semester may be granted by the College Academic Committee.
- iv. Students whose shortage of attendance is not condoned in any semester are not eligible to take their end examination of that class and their registration shall stand cancelled.
- v. A student will not be promoted to the next semester unless he satisfies the attendance requirements of the present semester, as applicable. They may seek readmission for that semester when offered next.
- vi. A stipulated fee shall be payable towards condonation of shortage of attendance to the college.

The following academic requirements have to be satisfied in addition to the attendance requirements mentioned in item no.6

- i. A student shall be deemed to have satisfied the minimum academic requirements and earned the credits allotted to each theory, practical, design, drawing subject or project if he secures not less than 35% of marks in the end examination and a minimum of 40% of marks in the sum total of the internal evaluation and end examination taken together.
- ii. A student shall be promoted from II to III year only if he/she fulfils the academic requirement of securing **41 credits (50%)** of the subjects that have been studied up to II year I semester from
 - a. Two regular and one supplementary examinations of I year I semester
 - b. One regular and one supplementary examination of I year II semester.
 - c. One regular examination of II year I semester
irrespective of whether the candidate takes the end examination or not as per the normal course of study.
- iii. A student shall be promoted from third year to fourth year only if he fulfills the academic requirements of securing **70 credits (50%)** of the subjects that have been studied upto III year I semester from the following examinations,
 - a. Three regular and two supplementary examinations of I year I semester.
 - b. Two regular and two supplementary examination of I year II semester.
 - c. Two regular and one supplementary examinations of II year I semester.
 - d. One regular and one supplementary examinations of II year II semester.
 - e. One regular examination of III year I semester.
irrespective of whether the candidate takes the end examination or not as per the normal course of study.

And in case of getting detained for want of credits by sections ii and iii above, the student may make up the credits through supplementary exams of the above exams before the date of class work commencement of Third or Fourth year I semester respectively.

- iv. A student shall register and put up minimum attendance in all 224 credits and earn all the 224 credits. Marks obtained in all 224 credits shall be considered for the calculation of percentage of marks obtained.
- v. Students who fail to earn 224 credits as indicated in the course structure within eight academic years from the year of their admission shall forfeit their seat in B.Tech course and their admission shall stand cancelled.

8. Minimum Academic Requirements (For Lateral Entry Students):

The following academic requirements have to be satisfied in addition to the attendance requirements mentioned in item no.6

- i. A student shall be deemed to have satisfied the minimum academic requirements and earned the credits allotted to each theory, practical, design, drawing subject or project if he secures

not less than 35% of marks in the end examination and a minimum of 40% of marks in the sum total of the internal evaluation and end examination taken together. In the Seminar he/she should secure 40%.

- ii. A student shall be promoted from III to IV year only if he/she fulfils the academic requirement of securing **43 credits (50%)** of the subjects that have been studied up to III year I semester from
 - a. Two regular and one supplementary examinations of II year I semester
 - b. One regular and one supplementary examination of II year II semester.
 - c. One regular examination of III year I semester
 irrespective of whether the candidate takes the end examination or not as per the normal course of study.

and in case of getting detained for want of credits by sections ii and iii above, the student may make up the credits through supplementary exams of the above exams before the date of class work commencement of Third or Fourth year I semester respectively.

- iv. Students who fail to earn 170 credits as indicated in the course structure within six academic years from the year of their admission shall forfeit their seat in B.Tech course and their admission shall stand cancelled.

9. Grading:

After each subject is evaluated for 100 marks, the marks obtained in each subject will be converted to a corresponding letter grade as given below, depending on the range in which the marks obtained by the student fall.

Table – Conversion into Grades and Grade Points assigned

Range in which the marks in the subject fall	Grade	Grade points assigned
≥ 95	S	10
90-94	A1	9.5
85-89	A2	9.0
80-84	A3	8.5
75-79	B1	8.0
70-74	B2	7.5
65-69	C1	7.0
60-64	C2	6.5
55-59	D1	6.0
50-54	D2	5.5
45-49	E1	5.0
40-44	E2	4.5
< 40	F (Fail)	0
Absent	Ab (Absent)	0

- i. A student obtaining Grade „F“ shall be considered failed and will be required to reappear for that subject when the next supplementary examination offered.
- ii. For non credit (Audit) courses „Satisfactory“ or “Notsatisfactory“ shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

9.1. Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

- i. The Semester Grade Point Average (SGPA) is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

Where, C_i is the number of credits of the i^{th} subject and G_i is the grade point scored by the student in the i^{th} course.

- ii. The Cumulative Grade Point Average (CGPA) will be computed in the same manner taking into account all the courses undergone by a student over all the semesters of a program, i.e.

$$CGPA = \frac{\sum (C_i \times S_i)}{\sum C_i}$$

Where „ S_i “ is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

- iii. Both SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.
 iv. While computing the GPA/CGPA the subjects in which the student is awarded Zero grade points will also be included.

Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale.

Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters as mentioned in the above table.

10. Gap - Year:

Gap Year – concept of Student Entrepreneur in Residence shall be introduced and outstanding students who wish to pursue entrepreneurship are allowed to take a break of one year at any time after I year/II year/III year II semester to pursue entrepreneurship full time. This period may be extended to two years at the most and these two years would not be counted for the maximum time for graduation. An evaluation committee shall be constituted to evaluate the proposal submitted by the student and the committee shall decide on permitting the student for having the Gap Year.

11. Transitory Regulations:

- i. Candidates who have been detained for want of attendance or not fulfilled academic requirements or who have failed after having undergone the course in earlier regulations or have discontinued and wish to continue the course are eligible for admission into the unfinished semester from the date of commencement of class work with the same or equivalent subjects as and when subjects are offered, subject to Section 2.v and they will be in the academic regulations into which the candidate is presently readmitted.
- ii. Candidates who were permitted with Gap Year(s) shall be eligible for rejoining into the succeeding year of their B.Tech from the date of commencement of class work, subject to Section 2.vi and they will be in the academic regulations into which the candidate is presently rejoining.
- iii. In case of regulation change, the maximum credits the student shall acquire for the award of the degree shall be the sum of the total number of credits he/she secured during the course work he/she pursued in old regulations and the total number of credits he/she will be securing in the remaining course work in new regulations. The minimum academic requirement credits for promotion shall also change accordingly.
- iv. End semester Examinations under Old regulations shall be conducted in subjects of each year three times after the conduct of last regular examinations under those regulations.
